presentation of the replying party as to the desired resolution, or a detailed explanation why such can only be developed through discovery or evidentiary hearing. Replies shall conform to the requirements of §502.74 and shall be served pursuant to subpart H of this part.

(e) No additional submissions will be permitted unless ordered or requested by the Commission or the presiding officer. If discovery or evidentiary hearing on the petition is deemed necessary by the parties, such must be requested in the petition or replies. Requests shall state in detail the facts to be developed, their relevance to the issues, and why discovery or hearing procedures are necessary to develop such facts.

(f)(1) A notice of filing of any petition which meets the requirements of this section shall be published in the FEDERAL REGISTER. The notice will indicate the time for filing of replies to the petition. If the controversy or uncertainty is one of general public interest, and not limited to specifically named persons, opportunity for reply will be given to all interested persons including the Commission's Bureau of Enforcement.

(2) In the case of petitions involving a matter limited to specifically named persons, participation by persons not named therein will be permitted only upon grant of intervention by the Commission pursuant to §502.72.

(3) Petitions for leave to intervene shall be submitted on or before the reply date and shall be accompanied by intervenor's complete reply including its factual and legal presentation in the matter.

(g) Petitions for declaratory order which conform to the requirements of this section will be referred to a formal docket. Referral to a formal docket is not to be construed as the exercise by the Commission of its discretion to issue an order on the merits of the petition. [Rule 68.]

§ 502.70 Amendments or supplements to pleadings.

(a) Amendments or supplements to any pleadings will be permitted or rejected, either in the discretion of the Commission if the case has not been assigned to a presiding officer for hearing, or otherwise, in the discretion of the officer designated to conduct the hearing, except that after a case is assigned for hearing, no amendment shall be allowed which would broaden the issues, without opportunity to reply to such amended pleading and to prepare for the broadened issues. The presiding officer may direct a party to state its case more fully and in more detail by way of amendment.

(b) A response to an amended pleading must be filed and served in conformity with the requirements of subpart H of this part and §502.74, unless the Commission or the presiding officer directs otherwise. Amendments or supplements allowed prior to hearing will be served in the same manner as the original pleading, except that the presiding officer may authorize the service of amended complaints directly by the parties rather than by the Secretary of the Commission.
